How long do you need, then?

Calendar attached – I got it under FOIA in January.

That's too short. Are you able to email me the calendar of this day?

Would 4:45 give you enough time to respond? Let me know if not and I can try to buy more time from my editors.

Subject: Comment on Dunlap's role in IRIS prioritization

All, can you comment on David Dunlap, Nancy Beck and Erik Baptist's role in the action this fall to limit the number of chemicals that EPA program offices could name as priorities for the IRIS program? This Oct 19, 2018 calendar item from David Dunlap's calendar shows a meeting that appears to cover this topic, as well as TSCA reviews. I am writing on a quick turn-around here.
